**Re: School-Age Child Care Full-Time Care Extension Through February 2021**

Dear **Parent/Applicant**:

As a family participating in New Jersey's Department of Human Services, Division of Family Development (DHS/DFD) Child Care Subsidy Program with a school-age child, we are writing to inform you that full-time child care subsidies for school-age children (ages 5-13) has been extended to **February 28, 2021**.

This one-month extension will happen automatically. If you continue to need full-time care, you do not have to do anything. If full-time care is no longer needed, please contact your Child Care Resource and Referral (CCR&R) agency.

As a reminder, although your co-payment (copay) is waived through this initiative, your Parent/Applicant and Provider Agreement (PAPA) will continue to show your copay amount owed directly to your provider. After February 28, 2021, you will be responsible for paying the copay amount directly to your provider.

If you have questions, you may contact the Urban League of Hudson County at **201-451-8888**.
