Child Development Associate Training

Recognized Worldwide

Complete 120 hours of formal Professional Development training, for early educators working with children ages birth to 5 years old and their families. CDAs demonstrate their knowledge, skills, and abilities in the early childhood education field. Having a CDA helps educators bring out the best in children. It also advances their careers and contributes to the status of our profession.

ELIGIBILITY REQUIREMENTS: scholarship/training eligibility

- Working 3 months or more in a childcare center or as a family childcare provider including Head Start, pre-k, infant-toddler, and home visitor programs.
